

Index of Product groups

1. Construction Software

- 1.1 **AVA (tendering, award of contracts, invoicing)**
- 1.2 **Operational construction management, Construction work, Building crafts**
Bill of quantities, estimating, order calculation, offer, quantity survey, measurement, billing, payroll accounting, logistics, construction site management
- 1.3 **Office organisation and Management programmes for planning office**
Trade-specific solutions for office organization, internal project management, controlling, calculation of fees, project monitoring/controlling, enterprise monitoring/controlling, estimating, quantity surveying and estimating claim management and cash flow planning, resource planning, analysis and key figures, profit-and-loss-forecasts, quality management, workflow management, information management, document management, project management, project control project organization, management information systems, CRM, ERP, logistics payroll accounting
- 1.4 **CAD - Computer Aided Design**
2D-, 3D-construction, CAD planning and project planning, visualisation/animation/virtual reality
- 1.5 **Technical software in the construction sector**
Civil and underground engineering/building construction, environmental and traffic planning, planning of structural framework, property management, law of contracts, regulations / permits, safety regulations
- 1.6 **GIS - Geographic Information System**
Surveying, photogrammetry, urban planning, base planning, mobile GIS, GPS, geodesy, computation of thermal insulation & sound insulation, structural physics
- 1.7 **Building technology**
Technical building equipment, technical calculation, buildings automation systems, security technology
- 1.8 **Communications**
Data exchange, data protection, GAEB-Data interchange
- 1.9 **Ecological construction**
New technologies, computation of thermal insulation & sound insulation, recycling, environmental protection, and energy saving regulations

- 1.10 **Project management**
Construction cost controll, scheduling, cross-company project platforms

- 1.11 **Structural planning / statics**
Static and dynamic calculation, FEM, reinforcement plan, simulations

- 1.12 **Other**

2. Facility Management

- 2.1 Cost-benefit-analysis of construction and operational costs
- 2.2 Services
- 2.3 Maintenance of buildings
- 2.4 Infrastructure FM
- 2.5 Commercial FM
- 2.6 Technical FM
- 2.7 Other

3. Internet

- 3.1 Building portals
- 3.2 E-Business
- 3.3 E-Commerce
- 3.4 E-Government
- 3.5 E-Learning
- 3.6 Internet services
- 3.7 Mobile solutions
- 3.8 Networks
- 3.9 Project rooms
- 3.10 Providers
- 3.11 Web hoster
- 3.12 Other

4 IT-Security

- 4.1 Data erasure
- 4.2 Data recovery
- 4.3 Data protection
- 4.4 Electronic signature
- 4.5 Firewalls
- 4.6 Positioning systems
- 4.7 Security systems
- 4.8 Virus protection
- 4.9 Other

5 Hardware

- 5.1 Computer, Notebook
- 5.2 Digital cameras
- 5.3 Printers, copiers, plotter
- 5.4 Distance meters
- 5.5 Flat screens
- 5.6 Mobile, smart phones
- 5.7 Mobile computing
- 5.8 Monitors
- 5.9 Networks
- 5.10 PDA's (Personal Digital Assistant)
- 5.11 Peripherals
- 5.12 Projector/beamer
- 5.13 Scanner

- 5.14 Telephone systems
- 5.15 USV power supply protection
- 5.16 Other

6. Services

- 6.1 ASP (Application Service Providing)
- 6.2 Support
- 6.3 CAD services
- 6.4 Consulting
- 6.5 Financing
- 6.6 Expert opinions
- 6.7 Hotlines
- 6.8 Information services
- 6.9 Internet services
- 6.10 Leasing
- 6.11 Mobile radio communications
- 6.12 Multimedia presentations
- 6.13 Online services
- 6.14 Print/copying services
- 6.15 Repairs
- 6.16 Training
- 6.17 Service
- 6.18 Software development
- 6.19 Support
- 6.20 Management consulting
- 6.21 Visualization
- 6.22 Maintenance
- 6.23 Other

7. Technical literature

- 7.1 Manuals
- 7.2 CD-ROM's
- 7.3 Text books
- 7.4 Looseleaf and data collections
- 7.5 Products catalogues
- 7.6 Periodicals
- 7.7 Other

8. Associations, Organizations, Institutions

- 8.1 Banks
- 8.2 Building societies / savings and loan
- 8.3 Energy suppliers
- 8.4 Trade associations
- 8.5 Specialized Publishers
- 8.6 Subsidy programmes
- 8.7 Neutral institutions
- 8.8 Insurance companies
- 8.9 Other

9. Educational institutions

- 9.1 Institutions of higher education
- 9.2 Technical Colleges
- 9.3 Universities
- 9.4 Other
