### Brief description

Held in Berlin every two years, CMS - Cleaning. Management. Services. is Germany's only international trade fair for cleaning systems, building management, and services. The event sponsors and their international partners have created an industry-wide platform for exhibitors and visitors along with a top-notch congress programme. In choosing Berlin, the industry has selected an ideal location to reach both the international high-volume markets in Europe and abroad as well as the emerging markets in Central and Eastern Europe.

### Products on display

Cleaning (standard range): Cleaning machines and accessories, cleaning equipment and accessories, machinery and devices for building management infrastructures, cleaning materials and agents, chemical cleaning and care materials, technical works equipment, industrial products, software, occupational and protective clothing.

Management (commercial building management): Contract, facility, procurement and personnel management, cost planning and control, property accounting.

Services (building management infrastructure): Cleaning and care services, catering, and security services, gardening and winter services, caretaker services, disposal and special services.

### Visitor target groups

Buyers from industry, commerce and municipal authorities, the hotel and catering trade, trade visitors from the building cleaning trade, service providers in the field of building services and facility management, administrators from the private and public sectors, architects and general contractors, mechanical-services engineers.
