

Hire System Stands Offer 2009

Description

(The mentioned sizes for the various models are only recommended by us. Of course, every stand model can be adapted to the individual size of your stand area)

The hired system material and equipment should be handled carefully. Please be aware that the items available for hire are usually used several times. Therefore, **no nails may be driven in, nor may adhesive material be applied** across the entire area. Please contact us for advise in mounting advertising material or posters at the stand.
