### General Guidelines for Installations (Water, compressed air, vapour extractors)

All orders for assembly or hire equipment must be in writing. For installation work with proof of work the following hourly rates will be charged (plus surcharge in force of tariffs): Foreman: 43.70 EUR/h, Plumber: 39.50 EUR/h, Helper: 33.30 EUR/h.

If an order is placed by a hirer after the application deadline of which he has been notified, the installation company provides no guarantees that delivery and assembly can be made in time or in full. If the work can still be carried out in such cases, the order is subject to a 20 % surcharge for the additional costs involved. The entire material is hired and remains the property of the installation company. The hirer is liable for damage or loss to the items hired, including any such damage or loss due to force majeure, even if such damage or loss has been caused by third parties. Liability commences with the delivery of the items to the stand, and ceases with their collection by us, even if the exhibitor has already left the stand.

In the absence of any stand personnel when delivering the ordered services, they will be considered to have correctly fulfilled when installed on the stand. The installation company is not obliged to check the credentials of the personnel on the stand when executing the assembly work.

Any complaints regarding the fulfilment of the services ordered should be made to Messe Berlin on the same day, in writing. Complaints made at a later date will be excluded. An obligation exists to rectify justifiable complains. Cancellation of the contract or a reduction in the remuneration are only possible if the rectification of the complaint is unsuccessful.

The exhibitor will be charged with additional charges for necessary alterations due to missing sketches.

The legal venue and place of jurisdiction is Berlin-Charlottenburg.
