§ 1 General details

The contractor's services and offers are provided solely on the basis of the following contractual conditions.

Additions, supplements and amendments to these contractual conditions, or deviations from them, shall only be effective if confirmed in writing by both contracting parties.

§ 2 Subject of the Agreement

By means of this agreement the client entrusts the contractor with the security of the aforementioned property.

The contractor shall appoint a project manager, who shall be responsible for the technical and organisational implementation of this agreement, and shall be in authority over his/her employees.

The contractor shall draw up the instructions required for the fulfilment of the services.

During the performance period the client or his representative shall be granted access to the places of employment.

On request the contractor shall supply the client with all necessary information about the properties and, if required, shall provide him with all available documents.

§ 3 Terms of Payment

Invoices shall be submitted after the performance of the services. Payment becomes due immediately.

Only bills and cheques will be accepted as payment. They are not to be considered as a cash payment. Their acceptance does not imply any guarantee with regard to punctual and correct submission or protests. The client shall bear all costs and charges, and discount charges in particular.

A set-off or assertion of a claim to withhold payment of the client's claim is only possible if the client's claim is uncontested, or has been recognised by declaratory judgement.

§ 4 Objections

If no personnel are present on the stand when delivery is made, the services shall be considered to have been duly provided upon fulfilment of the services or delivery of the hired equipment to the stand.

The service provider/lessor is not required to check the authority of the personnel encountered on the stand when the services are provided or when hired goods are delivered.

Any complaints regarding the fulfilment of the services ordered should be made to Messe Berlin on the same day, in writing. Complaints made at a later date will be excluded. An obligation exists to rectify justifiable complaints. Cancellation of the contract or a reduction in the remuneration are only possible if the rectification of the complaint is unsuccessful.

§ 5 Liability

The contractor is answerable for any damage or consequential damage caused by a defect resulting from unauthorised actions, negligence in making the contract, infringement of contractual or statutory collateral duties, the impossibility of performing the services, or delay, provided that such damage has been caused by deliberate or gross negligence on the part of his legal representative or employees.

The client's claims for liability fall under the statute of limitations after 6 months from the time that the respective services are completed:

The contractor shall take out liability insurance for the following amounts:

A lump sum of EUR 1,000,000.00 for personal injury, damage to property and financial damage

EUR 10,000.00 to cover the loss of guarded items.

In each case of damage or injury the amount of liability is limited to the sums given above.

§ 6 Law, Place of Jurisdiction

The law of the Federal Republic of Germany shall apply to the terms of this agreement and to the entire legal relationship between the client and the contractor.

Berlin shall be the place of jurisdiction for any legal disputes arising out of this agreement.
