MASCH Expo Survival Kit (Business card scanner inclusive leadmanagement)

MASCH Software Solutions offers the Scan-To-Web EXPO Edition and the CardScan Executive 800 business card scanners a new concept for the leadmanagement. Generate in a few minutes your own electronic fair leadsheet with all necessary analysis criteria, which are necessary for a fast and successful leadmanagement. The supplied CardScan business card scanner provides here on push of a button the complete contact information of your visitors and automates thereby your visitor collection.

We order _____ MASCH Expo Survival Kit for rent 149,00 Euro plus VAT
Including Scan-To-Web Expo Edition
(Renting-License for 30 Days) + CardScan 800

Deposit: 335,00 Euro plus VAT and shipment.

The return of the complete and undamaged scanner has to be done within 10 days after the trade fair. The difference of the amount paid on delivery will be credited by the Expo Partner within 10 days after returning the product.

Please do not hesitate to contact us if you have any queries regarding Masch Expo Survival Kit and CardScan. Phone: +49 (0) 30 - 214 99 638.
