Application deadline: 25. 07. 2008

We hereby order the following installation for the duration of the event:

The mentioned prices are subject to statutory value-added tax and are valid for the duration of the event incl. assembly and disassembly.

By signing the order you acknowledge the stipulated conditions. In all cases, unless otherwise stated (see below), the invoice for the services will be presented to the company placing the order.

Orders issued after deadline will be subject to a 20 % surcharge on the prices listed to the right.

The entire material is hired and remains the property of the installation company. The hirer is liable for damage or loss to the items hired, including any such damage or loss due to force majeure, even if such damage or loss has been caused by third parties. Liability commences with the delivery of the items to the stand, and ceases with their collection by us, even if the exhibitor has already left the stand.

Technical implementation of the sprinkler installations remains the sole responsibility of Messe Berlin GmbH or its appointed contractor.

Sprinkler system installed in accordance with local conditions

The installation will be designed on the basis of the plans submitted for the stand design, and will be submitted to the exhibitor as a firm offer.

The costs of project planning includes:

- preparation of installation drawings
- consultations with licensing authority
