

**List of participants of
INTERNATIONAL WATER FORUM
"AQUA UKRAINE '2007"**

№	Name	Country	Products
1	2H PLAST POLAND	Poland	A leading producer of packing widely applied in wastewater plants, cooling towers, cooling fan and retention system.
2	A+C publishing house	Ukraine	Press
3	Accomplishment and landscape	Ukraine	Press
4	ACT-MASTER	Ukraine	Production and sale high pressure hydrojet and sand blasting devices "Storm", high pressure pumps Interpump, Annovi Reverberi, Pratissoli, Hammelman
5	AEROCORE LTD	Ukraine	Energy-saving equipment for industrial and municipal drain water purification
6	AKCENT LTD, PRICE CURRENT	Ukraine	Press
7	Akvantis PE	Ukraine	Water purification systems
8	ALBION, DE	Ukraine	Pools
9	ALEKSIS EXPRESS	Ukraine	Water delivery
10	ALFA-STEVIYA Ltd	Ukraine	Reagents for water treatment
11	ALLON LTD	Ukraine	Production of corks and polycarbonate 18.9l water bottles.
12	AQUA SMART INC	USA	Optimal corrosion control and neutralization of contaminants in the water supply and distribution system
13	AQUA THERM	Ukraine	Press
14	AQUA-LUX LTD	Ukraine	Water and wastewater treatment, systems, swimming pool construction on a turn-key basis
15	AQUAPHOR MARKETING CORP	Russia	The largest home water filter manufacturer in Russia with more than 400 full-time employees.
16	AQUATON	Ukraine	Over 20 types of original filters for household and industrial water purification. The newest development is a water supply plant for schools, kindergartens and hospital.
17	Assotiation of producer of bottles	Ukraine	Association
18	August PE	Lithuania	Water treatment
19	Barley Insaat Tekstil Gida Elektronik San ve Dis Tic. Ltd. Sti	Turkey	Production of Manual Water Pumps for 19lt PC bottles for drinking Water
20	Baubusiness	Ukraine	Press
21	BELGICAST INTERNACIONAL, S.L.	SPAIN	A leader company in the manufacturing of gate valves, check valves and butterfly valves, as well as universal coupling, flange adaptors and saddles
22	Berlinwasser International AG	Germany	The combination of technological and commercial expertise for the efficient operation of its water supply and wastewater disposal systems.
23	BIBUS UKRAINE LTD	Ukraine	The producing and supplying of components and equipments for different sectors of industry, and carry out the "sales department" functions in Ukraine
24	BIWATER LTD	United Kingdom	A world of water expertise. Three distinct businesses design and construct water and wastewater treatment plants, provide consultancy services and run water systems for millions of people

25	BMS SE	Ukraine	YUBAS biological drain water purification plants
26	BMT LTD	Russia	Integrated plants for industrial effluents processing in electroplating, machine- building, metal working, electronics, food industry, transport enterprises, filling stations, bulk plants, solid wastes landfills etc.
27	Bolgov. Building complex	Ukraine	Press
28	Bolgov. Fishing and seafoods	Ukraine	Press
29	BORTEK LTD	Ukraine	Equipment for purification of water
30	BROVARY PLASTICS PLANT, PRIVATE JOINT-STOCK COMPANY	Ukraine	The national manufacturer of NPVC pipes for drinking water supply, sewers and electrical networks
31	BSE MEIRUBAT MAKINA SANVE DII TIC. LTD. ITI	Turkey	Complete turnkey solutions for HOD Bottlers. Offer solutions for your beverage (Waters, Soft Drinks, Isotonic Drinks, Juices, Wines, Spirits) bottling systems etc.
32	Building magazine	Ukraine	Press
33	Building market	Ukraine	Press
34	Building materials and service	Ukraine	Press
35	Building world, magazine	Ukraine	Press
36	Bulletin of tax service	Ukraine	Press
37	Business-proposal	Ukraine	Press
38	Business-Ukraine	Ukraine	Press
39	Calendar of exhibitions and fairs, magazine	Ukraine	Press
40	CENTR TEHNOLOGIY LTD	Ukraine	Engineering examination, designing object water-sewage facilities, Construction and reconstruction of pipelines etc.
41	City guide 09	Ukraine	Press
42	COCA-COLA BEVERAGES UKRAINE LIMITED	Ukraine	The Company constantly expands its brand portfolio; besides well-known trade marks such as "Coca-Cola", "Fanta", "Sprite", "BonAqua", "Schweppes" "Nestea", "Nescafe" "Burn" and local beverages "Fruktime" and "Jurske Dzherelo", the Company launched juices and nectars "Dobryi" and "Rich"
43	COMPLECT ECOLOGY UKRAINE, UKRAINE-RUSSIAN ENVIRONMENTAL MONITORING COMPANY	Ukraine	Fine cleaning technologies of Municipal and oily waste, storm water, Industrial sewage of breweries, milk and meat processing factories, etc
44	Construction - 21 century	Ukraine	Press
45	CONVERSOR PE	Ukraine	Filtering systems for drinking water
46	counsel of productive forces of Ukraine	Ukraine	Public organization
47	CPT-Ukraine	Ukraine	Pipeline Rehabilitation, Environmental Protection
48	Cymedica UA Ltd	Ukraine	An official representative of Idexx Laboratories Inc. - world leader in development of new technologies, products and services for animal health, food industry and water supply systems
49	DENGE GIDA URUNLERI ELEK.ELEKTR.DAN.ve PAZ.SAN.&TIC LTD STI	Turkey	Manuel water pump, PC Bottle 19LT, Cup Dispenser, Handle for PC Bottle, Funnel for PC Bottle, Water Dispenser, Ceramic group, Basket for PC Bottle etc
50	DINCER MAKINA SANAYI TIC. LTD. STI	Turkey	PP pipe welding machines and welding equipment manufacturer. A manufacturer of machines using thermal

			control systems and spare parts of industrial plants
51	DneprAzot	Ukraine	Chemicals for water treatment
52	DNEPRO-UKRAINA	Ukraine	Ukrainian designer and producer of know-how's in professional equipment manufacturing, namely stationary and portable ultrawave non-contact flow meters, under the "DNEPR-7" trademark
53	DOMINANT TRADE LTD	Ukraine	The wholesale and retail trading of enameled tubes 25-325 for hot and cold water supply systems, food industry, aggressive mediums
54	DonSTU	Ukraine	University
55	DOSHION LIMITED	INDIA	A comprehensive range from Softening resins to Speciality resins, in both - Microporous & Macroporous forms
56	DUEKER EISENWERKE GMBH & CO. KGAA	Germany	Ductile iron fittings as per EN 545 for pressure pipelines in water supply and sewage systems
57	Duox	Ukraine	Components for draining and thickening lines that are used in sewage disposal plants
58	Ecohimengineering Ltd	Ukraine	Modern technologies of water treatment
59	Ecoinform, publishing house	Ukraine	Press
60	ECOINSTRUMENT-KIEV LTD	Ukraine	The laboratory equipment to control and analyze drinking, technological & waste waters.
61	Ecology PE	Ukraine	Water purifier system "Djerelo"
62	ECOPOLYMER GROUP	Ukraine	The Ecopolymer Group develops and implements comprehensive programs of the technical upgrade of plants, provides the whole range of construction and reconstruction services for the water and wastewater plants
63	Eco-project	Russia	Water treatment, purification etc.
64	ECO-S LTD	Russia	Leading Russian company, developer and producer of waste water treatment equipment of all types.
65	ECOSOFT SPC LTD	Ukraine	Development and application of innovative water treatment and polishing technologies based on modern achievements of science.
66	Ecovod, Kurtov PE	Ukraine	Water purifiers
67	Edem	Ukraine	Water purifiers
68	EGA-XXI century	Russia	Development and manufacturing of modern equipment for water disinfection. Technology of disinfection is used for drinking, technological, sea water and sewage; it employs ultraviolet radiation
69	EKOLOGIYA VODY LTD	Ukraine	Design and implementation turnkey water purification technologies, from concept design to real live implementation
70	EKOTEKHNLOGIYA, NVK CJSC	Ukraine	English automatic machines for after purification, disinfections and conditioning of tap drinking water
71	EKVIVES SERVICE, NVF, LIMITED LIABILITY COMPANY	Ukraine	The basic direction of firm activity is wholesale of the pump equipment in the largest industrial branches.
72	ELIN WASSERWERKSTECHNIK GMBH - (EWT-HYDROMETER GROUP)	Austria	The metering and AMR System. Product range: water meters, heat meters and system products.
73	Empire of immovable property	Ukraine	Press
74	ENERGO-ARM, CJSC	Ukraine	Official representative of ERHARD, Germany and Raphael,

			Israel. Production of innovative pipe fittings
75	Energochimservice Ltd	Ukraine	We deliver and supports with expert technical service work of ion exchange resins, inhibitors, biocides and produced by SNF company coagulants and flocculants.
76	ENERGOMASHKOMPLEKT TM	Ukraine	Armature and pipes
77	ENERGORESURS-INVEST, CORPORATION	Ukraine	Reinsulated pipes and elements DN 25 mm - DN 1000 mm and mineral wool heat-insulation, PE 80, PE 100 pipes D 20-560 mm etc.
78	ENERGOTECHCOLOGIA	Ukraine	Design, production, kitting, construction, installation, warranty and service maintenance stations
79	ERHARD GMBH & CO KG	Germany	ERHARD is a leader company in manufacturing of butterfly valves, Needle valves, check valves, gate valves, knife gate valves, control valves, air valves etc.
80	EUROWATER	Denmark	EUROWATER develop, manufacture and market complete water treatment solutions for drinking water, boiler water, process water, rinse water, and cooling water
81	EVITA-SERVICE LTD	Ukraine	Application of state-of-the-art water filtration processes and equipment, water treatment systems for industrial and domestic applications
82	FESTO DP	Ukraine	The innovation leader in industrial and process automation
83	FOKS COMPANY	Ukraine	High-quality water treatment equipment.
84	FORTEX - AGS A.S.	Czech Republic	One of the most considerable suppliers of WWTPIs technologies in the Czech Republic
85	FRANKLIN ELECTRIC EUROPA GMBH	Germany	The world's largest manufacturer of submersible electric motors for water well pumping systems
86	FRIATEC AG TECHNICAL PLASTICS DIVISION	Germany	The Technical Plastics Division of the FRIATEC joint-stock company is the leader on the market of electro fusion welding fittings for high-density polyethylene (HD-PE) pipes
87	FRIEDRICH ARMATUREN GMBH	Germany	Designing, construction and manufacture of components for pipelines from steel, pig-iron and stainless steel
88	Fund of development of water-purify technologies	Ukraine	Development of water-purify technologies. Public organization
89	Fundament invest	Ukraine	Building company
90	GEOINFORMATIKA SPC	Ukraine	Geoinformation systems
91	Gradient Ltd	Ukraine	energy-saving technology
92	GREIF Ltd	Ukraine	Production of bottles, water dispensers
93	HAFI PROJECT & TECHNOLOGY GMBH	Austria	Equipment for waste water treatment plants, mechanical stade, biological stade, container-WWTP, sludge treatment, biogas conditiong and utilizator, physical und chemical stage.
94	HENNLICH UKRAINE	Ukraine	Technical utility
95	HOBAS CZ SPOL.S R.O.	The Czech Republic	Manufacturing and distribution HOBAS® CC-GRP(Centrifugally Cast Glassfiber Reinforced Polyester) Pipe Systems all around the world and providing production technology and management know-how
96	HOTFROST, TRADE MARK	Ukraine	Exclusive models of coolers and accessories for "all for water business" products.
97	Housing and communal services	Ukraine	Press
98	HYDRO - VACUUM S.A.	Poland	Pumps for clean and dirty liquids, home stations for drain

			water pumping, well pumps, self-priming pumps, submerged pumps etc.
99	Hydroecology Ltd	Ukraine	Complete water treatment solutions
100	HYDROTECHENGINEERING Ltd	Ukraine	Produces, supplies and provides services: - reverse osmosis, ultrafiltration, softening, demineralization, demineralization, deironing and decarbonization units; mechanical filtration
101	Importers and exporters of Ukraine, catalog	Ukraine	Press
102	Industrial Group DFM	Ukraine	Personal protection equipment etc.
103	IN-EKO TEAM s.r.o.	Czech Republic	The production of high quality waste water equipment as micro screen filter, belt screen, screw screen, screw press and flotation unit. Our company is the biggest producer of the micro screen filters in the Czech republic.
104	INKO LTD	Russia	Energy-saving technologies
105	INSTALPLAST-HV, PE	Ukraine	A hundred-per-cent domestic producer of plastic pipes for a water-supply, overflow-pipe and gas-supplying
106	Institute of customers	Ukraine	Research organization
107	Institute of economy	Ukraine	Research organization
108	Institute of hydrobiology	Ukraine	Research organization
109	Institute of hydrometeorology	Ukraine	Research work
110	Institute of surface chemistry	Ukraine	Working up of water treatment technologies
111	Institute of transport medicine	Ukraine	Working up of water treatment technologies
112	Institute of water resources use		Research organization
113	INTERTEXT LTD	Ukraine	A leader of marketing of pipeline fittings from Italy, Finland, Russia and Ukraine.
114	INVENTIVE	Ukraine	Components for draining and thickening lines that are used in sewage disposal plants
115	Investment business technologies, Ltd	Ukraine	Building company
116	ISTOKI LTD	Ukraine	Submerged water disposal plants by ZENIT (Italy); industrial pumps and water supply equipment by CALPEDA (Italy) etc.
117	ITT FLYGT AB REPRESENTATIVE OFFICE IN UKRAINE	Ukraine	Swedish company ITT FLYGT AB - a part of concern ITT WWW, is an ancestor of heavy-duty submersible pumps and mixers, offers a wide assortment of equipment for industry, communal and agricultural facilities, construction, oil processing, great chemistry etc.
118	JIGUNOV R.Y. PE	Ukraine	Slick bars
119	Jurby Water Tech Ltd.	Ukraine	Water Treatment Equipment, Production of Pressure Vessels and Membrane Housing
120	Kare	Ukraine	Press
121	KEMIPOL LTD	Poland	A producer of ferric III coagulants PIX and polyaluminium chloride PAX for drinking water and wastewater treatment.
122	Keramo Steinzeug N.V.	Belgium	Steinzeug Abwassersysteme GmbH is the leading manufacturer and the supplier of vitrified clay pipes and fittings for sewerage systems with nominal width from 100 mm up to 1200 mm and of ceramic elements for restoration of damaged sewer channels. Products of Steinzeug correspond to European standard EN 295 for

			vitrified clay pipes.
123	KHARKOV INDUSTRIAL COMPANY	Ukraine	The basic kinds of activity is development and manufacturing of the equipment for clearing and disinfecting of drinking, waste and mine waters ⁶ sewage treatment from fats, oils and mineral oil etc.
124	Kiarm	Ukraine	Armature and pipes
125	Kifa PE	Ukraine	Water purifiers
126	KMK- GROUP	Ukraine	Topol Water s.r.o. official representative in Ukraine. Waste water treatment plants
127	KOCH MEMBRANE SYSTEM	Germany	Koch Membrane Systems (KMS) is a developer and of innovative membrane filtration solution for municipal and industrial water and waster treatment
128	KRYMSKA TEKHNOLOGICHNA KOMPANIYA, RPA LTD	Ukraine	Production, installation, setup, purification facilities, and equipment maintenance
129	KVI	Russia	Sewage water treatment
130	Laboratory of water supply hygiene	Ukraine	Research organization
131	LIAG TECHNIK SERVICE UKRAINE, DAUGHTER ENTERPRISE	Ukraine	Pumps and armature KSB, Germany, for domestic purposes and technical equipment of buildings, valves, gate and membrane valves, control systems
132	Liga of food production and protection of consumers	Ukraine	Public organization
133	LYSOFORM JSC	Ukraine	Representing in Ukraine the JohnsonDiversey and NALCO companies, which are the world leaders of industrial hygiene and water treatment
134	M+T, magazine	Ukraine	Press
135	MAS POMPA SANAYI A.S	Turkey	Manufacturer of the centrifugal pumps, Endsuction and horizontal Split Case Pumps, Self Priming Pumps, Horizontal and Vertical Multistage pumps, Inline Pumps, Fire Fighting System Pumps, Expansion Vessels and booster sets.
136	Media-inform, publishing house	Ukraine	Press
137	MEGAPLAST TRADE HOUSE LTD	Ukraine	Production: - polyethylene, GRP pressure pipes for water-supply
138	MEMPEX	Belarus	Boring equipment
139	Morzeev Institute of Common and Communal Hygiene	Ukraine	Research work
140	MOS CO LTD	Ukraine	A leading supplier of various type of high quality water dispensers (coolers) from South Korea, automatic and semiautomatic lines for a sink, filling and capping of 19 l water bottles with capacity from 60 till 320 bottles in hour
141	MILLER POLSKA SP. Z O.O.	Poland	A seller of new and used trucks for cleaning of sewer system and systems of the cctv inspection of sewer pipes
142	Nargus TH	Ukraine	Complex of works in water treatment: development of technologies and projects, production of equipment for water purification, assembling, guarantee and service.
143	NASOSELECTROMASH, LTD	Ukraine	Pumps and pumping equipment
144	NASOENERGOMASH SUMY PUBLIC JSC	Ukraine	The leading CIS manufacturer of pumping equipment for power generation, metallurgical, chemical and oil industries water disposal, irrigation, municipal purposes, coal mining
145	National University of Water Services and Nature Management	Ukraine	Research work

146	Natuonal Taras Shevchenko University	Ukraine	University
147	NERO SPC LTD	Ukraine	PC containers and bottles for water
148	NIJHUIS WATER TECHNOLOGY B.V.	The Netherlands	Water and wastewater treatment for industry and municipal: design, construction, supply and installation of wastewater treatment, water treatment and sludge processing systems
149	NOOSFERA, SPE LTD	Ukraine	Filters
150	NOVATECH-UKRAINA LTD	Ukraine	Ukrainian representative of Nowatech, Poland, a producer of plastic pipe welding equipment
151	NOVOSIBIRSKPRODMASH, CJSC	Russia	Designing, production and assembling of processing lines for water bottling
152	NTUU "KPI"	Ukraine	University
153	NUFI	Ukraine	University
154	OASIS EAST SP. z o.o.	Poland	The OASIS brand is the recognized worldwide leader in the design and manufacture of water dispensers.
155	OLDIM MP LTD	Ukraine	External and internal sewer pipes and adapters, pipes and adapters for low-noise internal sewer systems, threaded fittings for PE pipelines, and water pipe mounting systems.
156	OLYMP EKOLOGIYA, PE	Ukraine	The company offers a full range of services in design and development of water and drain purification solutions; equipment supply, installation and start-up etc.
157	Oriongeo Ltd.	Ukraine	Construction of pools
158	OSKO, COMPANY	Ukraine	Equipment for professional and household fountains, filtering systems, fountain pumps, garden management, water lights, decorations
159	Panorama of market, magazine	Ukraine	Press
160	Pipelines and networks from polimeric materials, magazine	Ukraine	Press
161	PIVNICHGEOLOGIYA	Ukraine	Geophysical surveys of hydrogeologic wells allow to improve water resource treatment quality before their supply for drinking, mineral or industrial use
162	PLASTBAK	Ukraine	Manufacture of polymeric capacities
163	Polytherm	Russia	Software for engineering communication
164	PLUS LTD	Ukraine	The company is the technological successor of Sigma SE SRPE. Production and sale of Anthracite filters for drinking water and industrial drain water filters etc.
165	POLIDON LTD	Ukraine	Production of containers, tanks and 3-D rotary polyethylene products.
166	Polimeric pipes, magazine	Ukraine	Press
167	POLYMER-MEKHANICA, RPE LTD	Ukraine	"Bioprocessor" - deep biological drain water purification systems for private houses
168	POTENTIAL-4, SCIENTIFIC-ENGINEERING CENTER, LTD	Ukraine	Design and construction of purification stations of natural, sewage and storm waters; reconstruction and modernization of existing purification stations; treatment and dehydration of sludge
169	Potok-Model	Ukraine	Working up of water treatment technologies
170	PP-EKO LTD	Poland	An innovative environmental engineering company focused on industrial and municipal market.

171	Press-exchange	Ukraine	Press
172	Price list	Ukraine	Press
173	Prices of Donbass, prices of Kiev	Ukraine	Press
174	Promecology	Ukraine	Biologicals for water purification
175	PROMINENT DOSIERTECHNIK GmbH	Germany	Dosing systems for chemical water treatment such as metering pumps, controllers and sensors, including Ozone, UV, and reverse osmosis systems
176	PROMTEHUGOL, NPK OOO	Russia	Gidroantracite-A - filtering material - made by "PROMTEHUGOL", a Production and Trading Company, using high-quality low-ash anthracites
177	PROMTEKHVOD UKRAINIAN-AMERICAN JOINT VENTURE, OJSC	Ukraine	One of the recognized leaders in the Ukrainian market of the systems for waste water cleaning, water purification equipment and disinfection units
178	PROON-GEF	Ukraine	Public organization
179	Protection of labour and social insurance	Ukraine	Press
180	Pumps and equipment	Ukraine	Press
181	Rabmer Ukraine Ltd	Ukraine	Representative office of the Rabmer Holding
182	Radoniya PE	Ukraine	Water purification
183	RAIFIL PE	Ukraine	Domestic and industrial systems of cleaning of water. Supply of equipment, parts and dispensable materials
184	RAPHAEL VALVES INDUSTRIES LTD	Israel	The leading Israeli manufacturer of quality hydraulic control valves for waterworks, irrigation and fire fighting
185	Research and Engineering and Design Institute of City Service	Ukraine	Research work
186	ROZMA, OJSC	Ukraine	A Ukrainian producer of polymer pipes, rubber shoes and technical rubber products.
187	SCANDTECHIMPORT, ENGINEERING COMPANY LTD	Ukraine	The official Ukrainian distributor of such famous world manufacturers as ITT FLYGT AB (Sweden) and AVK INTERNATIONAL A/S (Denmark)
188	Security of vital activity, magazine	Ukraine	Press
189	Service of technological machines (STM)	Ukraine	Technologies for tending equipment (pumps, turbines)
190	Sibur	Ukraine	Building and repairing of underground pipeline
191	SILCARBON AKTIVKOHLE	Germany	Filters, activated coal
192	SIMBIOZ LTD	Ukraine	Sewage treatment. Design, construction, installation and service of sewage and sewer pump static
193	Sitall Ltd	Ukraine	Water treatment complexes
194	Society and ecology	Ukraine	Press
195	SOK	Ukraine	Press
196	SP UDT LTD	Ukraine	A direct partner of many world producers of equipment and components, such as Aquafilter, AMG, Osmonics -Autotrol and many others
197	SPECIAL PLANNING & DESIGN BUREAU FOR AUTOMATIC WATER SUPPLY CONTROL SYSTEMS, PUBLIC UTILITY COMPANY	Ukraine	Development and introduction of ASM at the enterprises in PM. Automation and production control of separate technological stages of water supply and water removal

198	STATE COMMITTEE OF UKRAINE FOR WATER MANAGEMENT	Ukraine	Working-out of proposals on the state policy formation in water management, land development, industrial and domestic water supply; realization of a single engineering approach in this field etc.
199	State meteorologic service	Ukraine	State organization
200	Status	Ukraine	Press
201	STOPRA CO., A.S.	Czech Republic	Water Treatment Technologies for drinking water. Compact, Modular and Mobile Units with capacities from 1 m ³ / hour
202	SU GROUP, SWEDEN-UKRAINIAN GROUP CJSC	Sweden-Ukraine	The company offers the full spectrum of services in water supply, waste water, water treatment and water purification
203	SUPERLIT BORU SANAYI A.S.	Turkey	The major pipe producer of Turkey manufacturing GRP (Glass Fiber Reinforced Plastic) , HDPE , Corrugated PE pipes and fittings
204	SVOBODNY SOKOL, LIPETSK IRON WORKS COMPANY	Russia	Pipes of high-strength cast iron for water supply, sewage, irrigation systems as well as for fire-fighting system pipelines
205	TALAN-OV, PE	Ukraine	The products of Roebic Laboratories. leading supplier of pipes, wastewater, drains and plumbing products to the hardware, home center, plumbing supply, institutional food service, hospitality industry and agricultural businesses
206	TECH-IN. PRO LTD RPC	Ukraine	Pumping equipment conforming to current requirements in terms of energy-saving, environmental safety, efficiency, reliability, technological and technical esthetics
207	TECHMASH	Ukraine	Pumps and pumping equipment
208	Technologies Development Bureau (BYURO ROZVYTKY TEKHNOLGIY)	Ukraine	Sale and introduction of Tracto-Technik equipment, polyethylene pipes, cosme water purification equipment, consulting
209	Technotorg Ltd	Ukraine	Anthracite - filter
210	TECOFI SAS	France	A French manufacturer of full range of industrial valves and accessories: gates valves, butterfly valves, knife gate valves, check valves, strainers, ball valves
211	Tender SSE	Ukraine	Press
212	TEXOR LTD	HUNGARY	Producing and trading construction industrial, agricultural and communication plastic pipes since 1997. Full range of fitting systems. Roadside pillar. Agricultural strings. PE bags and hoses.
213	The partners of Ukraine, time of rebirth	Ukraine	Press
214	TM-KONSTRUKTSIYA LTD	Ukraine	Ensymatic - a modern biotechnology product, Purification facilities, Separators
215	TM-PK Ltd	Ukraine	Pumps and pumping equipment
216	TVEL, PO	Russia	Production of thermal insulation for steel pipes, spaded pieces, pipeline elements 57/125-1420/1600 mm in diameter by foam polyurethane
217	TYCO WATERWORKS	Germany	The world leader company in producing and distributing valves, pumps and systems for water, sewage, gas, industrial, chemical and power plant applications.
218	Ukrainian research institute of ecologic problems	Ukraine	Working up of water treatment technologies
219	UKRAINIAN SCIENTIFIC-	Ukraine	New means of world famous manufacturers "Arch Chemical

	PRODUCTION CENTER OF DISINFECTION PROBLEMS CJSC		Inc" and "La Motte" (USA) for disinfecting and quality assurance of potable water and water of pools
220	Ukrainian union of manufacturers and employers	Ukraine	Public organization
221	UKRBIOTAL LTD	Ukraine	Plants for complete biological treatment of municipal (residential and community) waste waters, industrial waste waters
222	UKRHIMPLAST LTD	Ukraine	Production and sale of large polymer containers made by rotational molding, used for storage and transporting of any food products, including clean drinking water
223	UkrMetrTestStandart, SE Center of scientific and technical standardization	Ukraine	Metrology and standardization
224	Ukrvodservice	Ukraine	Water meters, heat meters and system products.
225	UNIJOINT TYCO WATERWORKS NETHERLANDS	The Netherlands	Specialized in manufacturing customized and oversized (up to 4000 mm diameter) epoxy coated steel couplings, flange adapters and dismantling joints for pipe systems for water
226	University "Ukraine"	Ukraine	University
227	University of water management	Ukraine	University
228	VAG-ARMATUREN GMBH	Germany	VAG is one of the world wide leading valve manufacturers, for all kind of applications in the field of water and sewage
229	VANEX LTD	Slovakia	Vanex spol. s.r.o. LiptovskI HriIdok designs, produces and delivers components for draining and thickening lines that are used in sewage disposal plants and in various technological processes.
230	VEGO "Mama-86"	Ukraine	Public organization
231	VENT EKO LTD	Latvia	One of the leading environmental consultancy companies in Latvia
232	VEOLIA VODA, CZECH REPUBLIS, A.S., REPRESENTATIVE OFFICE	Czech Republik	Organizing for water treatment and distribution, and drain water collection and purification
233	VERTEX UKRAINE LLC	Ukraine	An official representative of European brands end offer in Ukraine professional equipment for pipe cleaning, TV inspection, water supply, pipe building
234	VICORT, RESEARCH AND PRODUCTION COMPANY LTD	Ukraine	Protection against corrosion of outdoor engineering networks, service and constructions. Protection against inner corrosion of indoor water supply systems. Magnetic water treatment.
235	VODA, PRODUCTION TECHNOLOGICAL ENTERPRISE, MUNICIPAL ENTERPRISE	Ukraine	The enterprise into which structure enter the operation, industrial, building, scientific, production and design organizations, provides drinking water for Kharkov and a number of cities
236	VODOMER LTD	Ukraine	The company develops, produces and sells liquid meters and automatic energy-carrier control and calculation systems made on their basis.
237	VOIGT ARMATUREN FABRIK	Germany	Producer of high safety fittings for water and gas area. The products of Voigt Armaturen Fabrik are certified according to DIN EN ISO 9001 - 2000
238	VOMM IMPIANTI E PROCESSI S.P.A.	Italy	VOMM designs, produces, install and start-up plants for: civil and industrial sludge drying; thermal treatment of the moist product for next production phases; land decontamination; drying and reutilization of plastic waste and polymers.

239	VULKAN-VERLAG GmbH/ OLDENBURG INDUSRTIEVERLAG	Germany	Publisher of specialized water industry magazines
240	Vulver Ltd	Ukraine	Pumps and pumping equipment
241	WAFREGA TYCO WATERWORKS NETHERIANDS	The Netherlands	Specialized in manufacturing fitting for pipe system for gas and water.
242	WALLACE & TIRNAN CHEMFEED LTD	United Kingdom	Activated charcoal
243	WASSER BERLIN/ Messe Berlin GmbH	Germany	The international Trade Fair and Congress for Water Industry hold by Messe Berlin.
244	Water economy of Ukraine	Ukraine	Press
245	WATER POINT Ltd	Ukraine	Industrial equipment of the companies Palmer, Technolog, Crowcon
246	WILO UKRAINE	Ukraine	Pumps, pumping systems and components for heating and sanitary applications produced by WILO GmbH as well as swimming pool equipment and water treatment facilities produced by Grunbeck Wasseraufbereitung GmbH plus expansion vessels for sealed heating systems and booster sets produced by Reflex Winkelmann GmbH+Co. KG
247	Yellow pages	Ukraine	Press
248	YUJIN LTD	Ukraine	coolers and parts for them, electric heating fans "Yujn" with metalceramic heating elements
249	Yujnij SE	Ukraine	Commercial port
250	Yustan Ltd	Ukraine	Waste water treatment
